In June, we served 499 families and helped 180 food pantries.

Our economic times are kind of scary. Out electric bill this month was \$1800.00 \$250 of this was called "Demand Charges."

NEEDS

We are in dire need of boys clothing sizes 6 to 18. Also, we need socks and underwear for boys and girls all sizes.

In 1994, we had a 1994 E250 extended van donated by the Christian Science Society. This van now had 269,000 miles on it. In 1999, we received a grant from Eli Lilly through the Warrick county Community Foundation which enabled us to purchase two 1999 E150 vans used for daily pickups. These two vans have 250,000 miles on each. These vans have served us well but they are very much in need of replacement. Your Community Foundation is a good way to see your estate is used wisely.

WBNL 1540 AM

Listen to "The Bread of Life" Sunday morning 8:00-8:30 a.m. or on the web at www.radio1540.net. WBNL is the number one AM radio station on the internet in Indiana. This program is sponsored by Koehler's Funeral Home Boonville Chapel and Koehler's Funeral Home Perigo Chapel in Chandler.

\$ TO GET IT HERE.

This last week we brought in 3 semi truck loads of food. Our freight bills totaled over \$2000.00. During that same time period, we served 113 families and helped 24 other agencies with food.

2 Chronicles 7:14

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and forgive their sins and heal their land.
